News Release

TSX Venture Exchange: STS

May 19th, 2011

STONESHIELD ACQUIRES FURTHER LAND AT BLACKWATER GOLD DISTRICT, BRITISH COLUMBIA; APPOINTS NEW DIRECTOR

May 19th, 2011 - StoneShield Capital Corp. (STS - TSX Venture Exchange) (“StoneShield” or the “Company”) is pleased to announce it has signed a property purchase agreement to acquire the TUK claim adjacent to the Company’s Goldenhoof property in the Blackwater gold discovery area of British Columbia.

The TUK claim borders the Goldenhoof property to the northeast and totals 483 hectares. These additional claims cover a portion of a geophysical magnetic high which StoneShield is targeting with upcoming surface mapping and geochemical sampling during June. The sampling program will be extended to cover the TUK claims.

The claim block lies approximately 6km east of Blackwater gold property where over 4.2 million ounces of gold discovered prompted a \$550 million buyout of Richfield Ventures Corp. by New Gold Inc.

Under the terms of the option agreement, StoneShield can acquire a 100% interest in the TUK Claims by making a one-time cash payment of \$2,000 and issuing 15,000 shares to the property vendor within upon TSX Venture Exchange acceptance (“Acceptance”).

StoneShield is also pleased to announce that Mr. Toma Sojonky has joined the Company’s Board of Directors. Mr. Sojonky brings over fifteen years of venture capital and business development experience to StoneShield. He has served as an officer, director and financier of a variety of resource and technology companies, with industry experience in industrial minerals and real estate development. Mr. Sojonky has been active in the private equity arena since 1998, having invested and raised early round funds in the mining (precious and industrial mineral exploration), oil & gas (upstream), and technology (Internet/information, clean) sectors. He was a founding officer and director of Ansell Capital Corp. and is currently President, CEO & Director of Driven Capital Corp. both mining issuers on the TSX Venture.

StoneShield is a publicly traded exploration company focused on the discovery of high-value precious metals deposits in North and South America. The Company’s experienced management team boasts multiple discoveries, and brings over 70 years of combined experience in the mining and exploration sector.
